

YOU ARE MY STAR

by Bernhard Grieser

Who knows the weight of love I guess no one can tell but I
(Who knows the weight of love I guess no one can tell) but I

4
know it came right o-ver me it all Who knows the scope of a smile I
know it came right o-ver me it all (Who knows the scope of a smile I

7
guess no one can tell but with ea-si-ness it reach me ev-ry-where if the
guess no one can tell) but with ea-si-ness it reach me ev'-ry-where if the

10
road get out of sight I hear a whis-per through the night this sweet-est
shore get out of sight You're my gu- ding star at night seems you're the
uuh uuh uuh uuh

12

war-mest sound feels like a shield a-round hey right all the way You
 rea-son why the big change in my life what you are I can't de-ny

oh oh aah aah You

14 CHORUS

called me by name no way to stay the same like a

called me by name no way to stay the same

16

flood of light You light up my night hey you are my star

aah aah hey you are my star

Bridge (= Chorus nur "aah")

Bridge:
 The ray of hope when I'm down
 the way of truth when I'm wrong
 You're the lighthouse while the stormiest tides
 hey You guide me through the night
