

"Looking For You"

[Verse 1:]

**I've been down so long,
I've been hurt for so long,
There were times I thought I'd never see the break of day.
It was hard for me, to see your plan for me
And I tried to believe struggling won't last always
But night after night, (Night after night, **Night after night**)
I pray Lord **don't take your joy from me**
And then late one night, (and then late one night)
I read in your love letter that it's gonna get better**

[Chorus:]

**Don't you know that
I've been looking for you
I realized nothing else will satisfy me
I'm so glad I found you
Now that I'm changed no one can keep me away from you**

[Verse 2:]

**When my enemies, tried to come for me
And they thought that my world was coming to an end
All the while you knew
That I would make it through
I feel closer to you now than when I first began
Jesus you are, (Jesus you are, **Jesus you are**)
You are **my sun light after the rain**
Wherever you are
I just wanna be near you
I'm so glad I can hear you**

[Chorus 2x]

**Don't you know that
I've been looking for you
I realized nothing else will satisfy me
I'm so glad I found you
Now that I'm changed no one can keep me away (from you)**

**Ohoh Ohohoh
Ohoh Ohohoh
Ohoh Ohohoh
Ohoh Ohohoh**

Jesus you are, (Jesus you are, **Jesus you are**)

You are **my sun light after the rain**

Wherever you are

I just wanna be near you

I so glad i found you

[Chorus 2x]

Don't you know that

I've been looking for you

I realized nothing else will satisfy me

I'm so glad I found you

Now that I'm changed no one can keep me away (from you)

Ohoh Ohohoh (ohoho)

Ohoh Ohohoh (ohoho)

Ohoh Ohohoh (ohoho)

Ohoh Ohohoh (ohoho)
