

Higher and Higher

Your love, lifting me higher
Than I've ever been lifted before
So keep it it up yeah
Quench my desire
And I'll be at your side, forever more

oh your love keeps lifting me up,
just keeps lifting me, lifting me Higher and higher (higher)
your love keeps lifting me up,
just keeps lifting me, lifting me Higher and higher (higher)

Now once, I was down hearted
Disappointment, was my closest friend
But then you, came and it soon departed
And he'll never Showed his face again

oh your love keeps lifting me up,
just keeps lifting me, lifting me Higher and higher (higher)
your love keeps lifting me up,
just keeps lifting me, lifting me Higher and higher (higher)

da da da

oh your love keeps lifting me up,
just keeps lifting me, lifting me Higher and higher (higher)
your love keeps lifting me up,
just keeps lifting me, lifting me Higher and higher (higher)

oh your love keeps lifting me up,
just keeps lifting me, lifting me Higher and higher (higher)
your love keeps lifting me up,
just keeps lifting me, lifting me Higher and higher (higher)

Lifting, lifting. lifting me high
just keeps lifting me higher and higher..
