

Imagine me
Loving what I see when the mirror looks at me 'cause I
I imagine me

In a place of no insecurities
And I'm finally happy 'cause
I imagine me
Letting go of all of the ones who hurt me
'Cause they never did deserve me
Can you imagine me?
Saying no to thoughts that try to control me
Remembering all you told me
Lord, can you imagine me?
Over what my mama said
And healed from what my daddy did
And I wanna live and not read that page again
Imagine me, being free, trusting you totally, finally I can
Imagine me
I admit it was hard to see
You being in love with someone like me
But finally I can
Imagine me
Being strong
And not letting people break me down
You won't get that joy this time around
Can you imagine me
In a world (in a world) where nobody has to live afraid?
Because of your love, fear's gone away
Can you imagine me?
Letting go of my past
And glad I have another chance
And my heart will dance
'Cause I don't have to read that page again
Imagine me, being free, trusting you totally, finally I can
Imagine me
I admit it was hard to see
You being in love with someone like me
But finally I can
Imagine me
Imagine me, being free, trusting you totally, finally I can
Imagine me
I admit it was hard to see
You being in love with someone like me
But finally I can
Imagine me
